Red Rose 2010: The Opening Ceremony

Welcome To Great Tower & Red Rose 2010

Yesterday Scouts and Guides from every corner of the earth gathered together for a week of adventure, fun and friendship starting with an electrifying opening ceremony, bringing together the 1,500 participants, leaders and over 250 Staff.

Sub Camp by Sub Camp Scouts and Guides were gathered up by 'The Ringmaster' and his animals, creating a procession that descended on The Entertainments Hub, with fire jugglers, a very large, very tall grim reaper and clowns. Ringmaster James Bass, got the Crowds going with Mexican waves, a sub camp chanting competition and the very best dancing to Black Eyed

The Ceremony was then officially opened by Camp Chief Ray Hardman. His heartfelt speech, spread the message of "fun and friends" not only a motto for Red Rose 2010 but for the future. Silence spread across the crowd as Ray and Caylum, 10 the youngest participant on the camp raised the Red Rose flag.

An emotional Ray, told us "It was amazing to see a sea of different coloured uniforms, flags from around the world and a whole host of smiles lighting up the campsite. What a fantastic start, I can't wait to see what lies ahead. It's going to be great." After the ceremony Caylum from 43rd Northampton spoke to one of our Young Spokespeople "I was a little bit nervous but very excited to break the flag on my first camp as a Scout"

With the ceremony finished and the Camp officially open, participants danced into the night in the entertainments hub to celebrate the start of what promises to be a fantastic event. For more photos, a daily gallery is on facebook.
